The Houston Police Department's Robbery Division is seeking the public's assistance in identifying robbery suspects.

The Complainant had just finished shopping at the Walmart located at 9460 W. Sam Houston Pkwy S. He exited the store and was walking across the parking lot when he was approached by two black males, whom he had seen earlier in the store. One of the males called to the Complainant and the Complainant stopped and turned around. The first suspect then asked the Complainant if he wanted to fight his partner. The Complainant then tried to walk off and both suspects began to attack the Complainant, striking him with fists. During the assault, one of the suspects attempted to get the Complainant's wallet out of his pants pocket, but was unsuccessful. The suspects then fled on foot and ran back inside the Walmart.

Surveillance cameras on top of the roof captured the assault on video and interior security cameras captured the suspects, who were not wearing any type of masks, as they ran back inside the store.

No property was taken from the Complainant, but he suffered minor injuries to his face and head from the assault.
